The first official function of the D.C.A. was a tea dance held in Drumahoe Primary School on Friday 6th June. The event was advertised in last months newsletter and turned out to be an exceptionally good night. All those who attended had only good comments to pass on to committee members and all have said they are already looking forward to the next dance.

The Mayor Councillor Gerard Diver and his wife paid a visit and was very well received as he mingled and chatted to the guests and even took to the stage for a song. Photographs taken on the night have been uploaded and can be viewed on our web site www.drumahoe.org.

A special word of thanks must be given to ***ELANOR'S HOME BAKERY*** Drumahoe who supplied food for the guests on the night.

PLAY AREA SURVEY

Play is really important for children and young people's development and is a big part of growing up. Play allows children and young people to express themselves freely and openly. Derry City Council, ILEX and Derry Children's Commission recognises it is important for children and young people to have the time and opportunities to play and have fun and are looking at ways to improve the provision of play-spaces and play facilities and want you to contribute your views.

If you have concerns about the condition of play areas and facilities in the Drumahoe area then please log on our website at www.drumahoe.org and click on the link to be taken directly to the survey.
