WELCOME TO THE FIRST NEWSLETTER OF 2009

*We wish all our readers a
Peaceful and Prosperous New Year*

Christmas decorations – NOT!

The Committee tried hard to acquire a Christmas tree and/or Festive lighting for the village but were unsuccessful even though the Derry City Council agreed to provide a tree. Due to Health & Safety Laws, the Council will now only supply a tree and it is up to each local Community Association to find a suitable location (with all legal permissions) to site the tree and also provide the labour for its erection. Also, authorisation to supply power to the lighting has to be obtained from the appropriate statutory bodies. Despite our best efforts we were unable to get the necessary agreements and permissions and as a result the village was again without any Christmas Spirit!

Christmas Dinner Dance

However, our first Christmas Dinner Dance for the Senior Citizens was a different matter. A veritable feast was provided for almost 90 men and women and this event was greatly appreciated by all those who attended. The Committee have received lots of complimentary reports and it seems that everyone had a most enjoyable evening. There are some photographs on the website www.drumahoe.org and the Sentinel carried a full page of photographs of the event. We look forward to holding many more successful events in the coming year.

KEEPING YOU INFORMED ABOUT FAUGHAN VALLEY SCHOOL SITE

Presently the Western Education & Library Board are proceeding with their plans to develop the former school site. They have met with members of our association and have been made fully aware that the residents of the area want to be kept informed at all stages with developments and indeed want some say in the final outcome. The W.E.L.B have agreed to provide the association with design concepts some time early 2009. Once the association has received these designs a public meeting will be called so that all residents who are interested can put forward any reservations that they may have. Notification of the meeting will be in the local press and on our web-site.
