Annual General Meeting

The first annual general meeting of the Drumahoe Community Association will be held in the Assembly Hall of Drumahoe Primary School on Thursday 19th March 2009 at 7:30pm

We hope as many of the local residents as possible can attend, as this will be a chance for all to air their views on how the Association has performed in its first twelve months.

A lot has happened since the formation of the association, we have held a Fun Day for all, Car Maintenance classes, Computer classes, Tea Dances, Bus Runs, a Christmas Dinner for Senior Citizens and a Christmas party for the children. The village has been tidied up and more waste paper bins have been installed . We have been in talks with the various agencies regarding the future of the former Faughan Valley school site and as this goes to print many other events and projects are being organized. We have also secured a number of bus shelters and would like to hear your views on where you think they should be sited.

The A.G.M. will be your chance to tell us what you would like to see happening and if you would like to help us in any way we would be glad to have you on board, so please put the date in your diary and plan to attend!

Fancy trying your hand at some Art
