## Bus Shelters

The Community Association are pleased to report that they have secured two new bus shelters for Drumahoe. These are presently being erected, one opposite the old Desmond's Site on Drumahoe Road and the other at Faughan View Park. These have been provided for the convenience of the residents and we would ask that everyone respect them and if anyone observes vandalism that they report this to any Committee Member or indeed the Police.

### Police Appeal to Public after Burglary Rate Soars in City

Police in Foyle have launched "Operation Safer Homes" to encourage all householders to make their homes more secure. There has been an increase in walk-in burglaries and this is down to people not locking their doors or windows at night or when the house is unoccupied.

Prevent crime from happening by taking simple steps to make your home secure. Always lock windows and doors to your home and vehicles. Lock garages and sheds and do not leave equipment lying around.

Further practical crime prevention advice is always available from your local Crime Prevention Officer on **0845 600 8000**. Or you can anonymously report any suspicions to **Crimestoppers** on **0800 555 111** or online at **[www.crimestoppers-uk.org](http://www.crimestoppers-uk.org)**.

We wish all our readers  
a Merry Christmas  
and a Happy New Year!
