Running Club

A new running club will be starting up on Tuesday 5th March. The group will be meeting at the Shared Future Centre at Irish Street on Tuesdays and Thursdays at 7.00 pm. (Participants should meet at 6:30 pm at the Centre on the first night to get signed up.)

The group will cater for all levels of fitness from slow joggers to more advanced runners – different groups being set up for different levels. If you interested or have any further queries please contact **Rhonda Boyd at 7134 2959.**

New Bus Times

After a meeting with Translink, we are hopeful that a new hourly bus service will be in full operation around Easter which will run direct into the City on Monday to Friday. The proposed route will run from Thompson's Corner, opposite Three Mile House and lay-by at Redwood Park (FY8 service). The finalised timetable will be issued in the next Newsletter. We are also in discussion with Translink for the provision of new bus shelters in the above areas.

New Play Park Plans

Derry City Council will be holding an open viewing of the plans for the proposed new play park on the Faughan Valley site which will hopefully be submitted for full Planning Permission by 31st March 2013. *We will confirm date as soon as possible.*

In the meantime, plans are being made for remedial work to be carried out to the play park opposite Faughanview View Park.

Cultural Grant

The Community Association has been awarded funding for **Piping and Cultural Dance** classes. For anyone interested, we will let you have further details in our next newsletter.
