DRUMAHOE HEATING OIL CLUB - UPDATE

Good news - The club is up and running as from the 26th October 2013 and currently, over sixty households have expressed a wish to participate as members and have been issued with registration numbers.

We have come to an arrangement with 'Campsie Fuels' on pricing whereby club members are guaranteed, on the day of order, the **cheapest heating oil prices** in the city / local area.

This is an excellent opportunity for you to reduce your annual heating oil costs and so if you have not 'joined up' yet then please do so by contacting George Caldwell at mobile phone 07762 876 101 or email drumgeorge@hotmail.co.uk

If you have already 'joined up' then please pass the word to your friends and neighbours who reside in the Drumahoe area.

The Association would like to thank George for all his effort in providing this opportunity to all Drumahoe residents.

PARK CONSULTATION

A consultation will take place on 11th November in Drumahoe Primary School from 4pm -9pm. Derry City Council will be in attendance to view support for proposed the new park prior to full planning being submitted. The Association would encourage all those who have an interest in the proposals for a Drumahoe District Park to make an effort to call in and show their support for the development.

**We wish all our readers
a very**

Merry Christmas
