## DRUMAHOE DISTRICT PARK

Drumahoe Community Association are pleased to confirm that the application for funding for the new Drumahoe Play Park is one step closer. At a meeting in Belfast on 21<sup>st</sup> October we heard that the park is one of the final 6 projects to have progressed through the first stage application from the original fifty seven.

We hope that this flagship project could attract up to £1million of funding for the Play Park, multi use games area and car park and open up walking pathways into the pitches below .

A major second stage application is now being prepared with a variety of community and statutory partners. Although this application will be submitted during the first week of January 2015 we will not know the outcome until the end of March 2015 at the earliest. If not successful we will have to look for funding for a phased project.

We will keep the community fully informed of all developments through the DCA newsletter and our Facebook page.

*God are you there? Do you care? Do you know about me?*

Have you ever thought like this?

If so would you like to know more?
